

BREAKFAST

“One morning I shot an elephant in
my pajamas. How he got in my
pajamas, I don't know.”

-Marx Brothers, Animal Crackers
(1930)

HAMLET

A critical piece of our unconventional legacy is our Executive Feline in Residence, Hamlet VIII.

Hamlet was so named by John Barrymore, an acting legend, beloved rake, raconteur and long staying guest, in the 1930's. The Algonquin is a curious place, always sophisticated, never stuffy.

Stop by the front desk to visit our Feline Concierge and get Hamlet's best New York City recommendations.
