THE PHOENICIAN PRESENTS CURSE OF CAMELBACK - A Halloween Weekend -

THE PHOENICIAN
SCOTTSDALE

THE CANYON SUITES
AT THE PHOENICIAN
SCOTTSDALE

Beware, Halloween is in the Air!

This Halloween, a mysterious fog has crept down from Camelback Mountain, transforming The Phoenician into a haunted haven of luxury and lore. Each venue has been cursed—warped into eerie versions of themselves, where whispers echo through the halls and shadows dance in candlelight. Guests are invited to indulge in spine-chilling sophistication as they dine, drink, and explore the haunted heart of the desert.

Legend tells of a forgotten ritual performed centuries ago atop Camelback Mountain—an offering to desert spirits that was never completed. On Halloween weekend, the mountain awakens, and its curse descends upon The Phoenician. Each venue becomes a portal to the past, where guests dine among ghosts, sip with specters, and dance with the damned. Only those brave enough to embrace the curse will uncover its secrets... and perhaps break it.
